## Alma Mater

We love thee school of Trion among thy dear hills,  
We love thee school of Trion our very hearts thrill,  
To think of thy bounty poured out by God's hand,  
On Trion, dear Trion, our own favored land.

Thy hilltops serene call us out from all strife,  
Thy woods and wildflowers add rapture to life.  
Thy streams ever changing flow true to the sea.  
And may we, thy children, live true unto thee.
